WHAT I DO

Since 01 April 2022
today

Stichting EMCI-EFCI Register, Ammerzoden Netherlands
(NB 2832 Notified Body in NANDO EU database)

Independent freelance Lead Auditor for Conformity Assessments CE Marking product.

Since 01 April 2022
today

Water & Life Lab – Groupe CARSO, Bergamo (Italy)

Laboratory Consultant (freelance) for the accreditation ISO17025

Since 22 Nov 2019
today

European Committee, CEN/CENELEC Management Centre, Brussel

European Standardization at CEN/TC455 Plant Biostimulants (Secretariat held by AFNOR, I'm on behalf of Italy):

- Project Leader "Detection of Vibrio spp." - WG3 "Pathogenic and non-pathogenic microorganisms" for the European Standardisation Request M/564.
- Project Leader "Determination of pH in microbial culture media" - WG3 "Pathogenic and non-pathogenic microorganisms" for the European Standardisation Request M/564.
- Project Leader "Determination of Chlorides" - WG5 "Labelling and denominations" for the European Standardisation Request M/564
- Expert CEN/TC 455 WG4 "Other Safety parameters" for the European Standardisation Request M/564

European Standardization at CEN/TC 260 WG7 "Inorganic Fertilizers and inhibitors" (Secretariat held by DIN Germany, I'm on behalf of Italy):

- Expert member for the European Standardisation Request M/564
- Expert WG "STRUBIAS" for the new European Standardisation Request for industrial waste recovery, recycling of ashes and biochar, to facilitate the Nutrient Circular Economy.

Since 7 May 2019
today

COMATCH-MALT Consulting GmbH, Berlin

Freelancer consultant for TQM and Six Sigma projects for continuous improvement of company's processes using problem solving tools and statistical metrics. Digitalization processes, QUICK WIN projects, KAIZEN BLITZ projects and long-time projects.

**National and
International
Committees**

Since 10 Jan 2022 today	Proficiency tests UNI/UNICHIM, Milan Italian Expert member for the proficiency tests for Italian and European laboratories.
Since 16 May 2019 today	BRACCO Foundation, European Commission, Gi.U.Li.A. Observatory (www.100esperte.it). https://www.youtube.com/watch?v=ul8xoDPjeDg&feature=youtu.be European database of 100 women experts evaluated by Scientific Committee "100 women against stereotypes" in STEM Area (Science, Technology, Engineering and Mathematics), women who have dedicated their lives to scientific research obtaining important results in their own careers.
Since Nov 2015 today	UNI/CT003 and UNI/CT406, UNI-UNICHIM, Federchimica Milan Committee Member UNI/CT003 "AgriFood" with the right to vote, UNI Milan, I represent Italy as expert member in ISO/TC 34 WG26 Plant based-food for standardization, UNI/CT406 "Fertilizers", with the right to vote for standardization, UNICHIM: <ul style="list-style-type: none"> • I'm the Convenor of GL01 for standardization • I'm an Expert member of GL04
Since Sept 2016 today	Board Manager of AICQ Test Laboratories and Calibration Committee, Padua Italian President in charge for 3 years (2016-2019) and now Board Manager for 3 years (2019-2022). <ul style="list-style-type: none"> • Organizational collaboration for the AICQ-ACCREDIA conference held in Padua 13 Nov 2017, "THE NEW ISO 17025: 2017 STANDARD FOR TEST AND CALIBRATION LABORATORIES • Expert AICQ Working Group (Padua, Oct 2016 - Sept 2017) for the review of the international Standard ISO/IEC17025 for the accreditation of testing and calibration laboratories • Speaker and Scientific Responsible of the Conference held in Bologna 03 May 2017 "PRINCIPLES OF GOOD LABORATORY PRACTICE AND CERTIFICATION OF TEST FACILITIES", in collaboration with the Italian Ministry of Health and the Italian National Institute of Health

Participants: Italy, Sweden, Greece, Bulgaria and Spain • Creation, validation and teaching of the training course certified by AICQ-SICEV "Auditor/Lead Auditor Quality management system (40 hours) ISO9001 on AgriFood, D.Lgs. n.20 on 23 Feb 2018 • Expert Working Group "The innovations of new ISO 19011:2018", to create the new training course
Since June 2016 today	Senior Member of the Professional Order of Chemists of Piedmont and Valle d'Aosta
Since Jan 2000 to May 2016	Senior Member of the Professional Order of Chemists of Tuscany
Since Sept 2000 to Sept 2016	Law Court of Florence Freelancer technical consultant for waste pollution
<hr/>	
Education and training	
26 Nov 2021	Certification of Auditor/Lead Auditor for third parties audits of Quality Management System AICQ (Italian Association of Quality Culture), Florence
12 July 2019	Six Sigma Green Belt certificate n.1323. Master Lean Six Sigma. International certification of Six Sigma skills. Galvano & Associati Consulting Srl, Milan
24 Oct 2006	Certification of Internal Auditor of Quality Management System CSQA Thiene (TV)
12 April 1999	Chemistry Master Degree, Industrial Organic Chemistry (5 years, 30 exams) University of Florence
<hr/>	
Languages	Mother tongue: Italian and French Other languages: English, level B2 certified

Professional experiences

Since 21 March 2016
to 31 March 2023

CRO - SAGEA CENTRO DI SAGGIO SRL, Castagnito d'Alba (CN, ITALY)

Quality Assurance Manager (GLP, GEP)

Expert of the GLP principles (OECD) as quality assurance in field trials and ecotoxicology trials; expert on Computer Validation System GLP protocols and Data Integrity. Quality control management GEP trials, chemical products, agro-pharmaceuticals products, labelling and MSDS, REACH and CLP Reg., ecology, safety.

Quick Win Six Sigma projects, continuous improvement of processes using problem solving tools and statistical metrics. FMEA Risk Assessment.

Implementation integrated Total Quality Management System GLP-ISO9001-ISO17025-ISO22301.

Training of personnel on Quality System. Teacher "Business organization and QMS" for Agropharma apprentices.

Since 19 May 2008
to 29 Febr 2016

BIOCHEMIE LAB Srl, Calenzano (FI)

Lead Quality Manager, Quality-Environmental-Safety Integrated System

Laboratory Director

ISO9001 and ISO14001 certifications; **n. 157 projects accredited ISO17025** during my job activity: details at www.accredia.com/Biochemielab from rev.21 to rev.37.

Expert of international legislation of REACH and CLP, methods standardization and validation for environmental pollution analysis, ecotox studies, HACCP system, international and national legislation in Food, Food contact materials, Mycotoxins, Plant Protection Products, Organic and Inorganic Fertilizers, Soil, Soil improvers and Growing media, Waters, marine Sediments, Air emissions.

Authorization of Italian Ministry of Agriculture to analyse Fertilizers, Organic Foods, Olive Oils and Extra-virgin Olive Oils for Protected Geographical Indications (PGI) certification, member of International Olive Council.

Validation and accreditation ISO17025 of chemical and microbiological methods, management procedures (SOP), training of personnel on Quality System. The long experience of laboratory activities involved the updating of analytical methodologies with the most modern instrumental methodologies.

On April 2014, development, validation and accreditation ISO17025 of a new standard "Evaluation of acute toxicity with *Vibrio fischeri* in solid phase" (ISO 11348-3:2009 + ICRAM) for the first time in Italy.

Creation, implementation and validation of Computerised QA/QC System and EDD files based on EPA Standard Quality System for interfacing laboratory instruments with LIMS (Laboratory Information Management System) with automatic import of analytical data and quality controls for complete data traceability and quality assurance of analytical data. QAPP Plans. Creation and implementation of electronic Control Charts for continuous monitoring. Creation and implementation of a statistics system applied to evaluate the effectiveness and efficiency of the QMS. Expert of the procedures and processes related to the Accreditation of Laboratories according to the ISO/IEC 17025 and certification ISO 9001 and ISO 14001. High experience in process management implementation.

Since 07 Jan 2003
to 15 May 2008

ALPHA ECOLOGIA Srl, Florence

Chemistry Lab Manager

During my job activity, we obtained the ISO17025 Accreditation on 2003 starting with 3 validated methods internal developed.

Then, I developed n. **68 projects** ISO17025 accredited: details at www.accredia.com/AlphaEcologia up to rev.8.

Method development and validation, continuous implementation of the Control Quality Lab as Chemistry Lab Manager. Expert of standards methods and methods validation in the Food sector, in particular Plant Protection Products and Mycotoxins, large supermarket chains food analysis.

Since 02 Jan 2002 to
31 Dec 2002

C.T.A. Srl, Florence

Law Court of Florence Consultant Office for environmental pollution, soils, waters, air emissions and land to be reclaimed.

2001

C.I.R.M.M.P. CONSORZIO INTERUNIVERSITARIO RISONANZE MAGNETICHE DI METALLO PROTEINE, University of Florence

Annual fellowship to develop organic macrocycles compounds in the study of metal-proteins.

CIRMMP manages and partially owns the instruments in CERM, one of the most well-equipped NMR laboratories in the world.

2000

A.R.P.A.T., ITALIAN AUTHORITY

Chemistry lab technician for waste and soil analysis

Since July 1999 to
Dec 1999

UNIVERSITY OF FLORENCE

Stage of 6 months with the aim creation and implementation of clinical research database

Training course for GLP Test Facility operators and Inspectors	Istituto Superiore Sanità- Ministero Salute	December 2021
Auditor/Lead Auditor of third parties audits for Quality Management System, certification	AICQ, Florence	November 2021
English Skills for Public Speaking and Effective Presentations (C1 level)	Language Solution	April 2021
Training course: "Process approach ISO/IEC 17025:2018 for laboratory testing"	University of Study of Padua, AICQ Triveneta with ACCREDIA	February 2021
Scientific Responsible of the 1 st Italian Meeting 2020: "Plant Health Biostimulants, from normative to experimental trials" Plant Health Biostimulants: dalla normativa alle prove sperimentali - YouTube	SAGEA, FEDERCHIMICA	16 October 2020
English Skills for Public Speaking and Effective Presentations (C1 level)	Language Solution	April 2020
The economic evaluation of business projects	Galgano & Associati	April 2020
New edition of ISO 19011:2018 for the QMS audits	Certiquality	November 2019
Standing meeting: short and effective meetings	Galgano & Associati, Milan	October 2019
Time: instructions for use, Individual development plan, manage conflicts	Quadrifor	July 2018
2 ^o NATIONAL CONVENTION FOR THE IMPLEMENTATION OF THE PRINCIPLES OF GOOD LABORATORY PRACTICE (GLP) Update for Inspectors and Professional Figures belonging to the GLP Test CRO Facilities	ITALIAN MINISTRY OF HEALTH ITALIAN NATIONAL INSTITUTE OF HEALTH	May 2018
Effective communication	SAGEA (Internal training)	Jan-Feb 2018
FSSC22000 v.4.1: REQUIREMENTS AND HOW TO SATISFY THEM"	AICQ, Milan	December 2017
Organizational collaboration at the conference "THE NEW ISO 17025: 2017 STANDARD FOR TEST AND CALIBRATION LABORATORIES"	AICQ-ACCREDIA, Padua	November 2017
Speaker and Scientific Manager for the National Conference "THE PRINCIPLES OF GOOD LABORATORY PRACTICE AND THE CERTIFICATION OF TEST CROS". My presentation: "Quality System integration: GLP, continuous improvement KAIZEN and MONOZUKURI WORKING GROUPS"	AICQ-SAGEA-ITALIAN NATIONAL INSTITUTE OF HEALTH, Bologna	May 2017
III Italian Conference "Activities of the public administration on the control of plant protection products and pesticide residues in food"	ITALIAN MINISTRY OF HEALTH ITALIAN NATIONAL INSTITUTE OF HEALTH	November 2017
Advanced Good Laboratory Practise, GLP	RQA, Cambridge	October 2017
ISO 9001:2015: elements of continuity, novelty and approach to risk	Certiquality, Turin	June 2017
The new standard ISO 9001:2015 and Risk Management	Galgano & Associati, Milan	May 2017
English Conversation	SAGEA Internal course	Jan-March 2017
Organizational analysis tools and continuous improvement	IAL-Quadrifor, Milan	December 2016
Enhancement of professional skills: Sales techniques and customer management	ACA Formazione – For.te, Alba (CN)	Oct-Dec 2016
Effectiveness and personal development	Quadrifor	April 2016
Presentation as speaker Italian Conference "Validation of an internal method for a private laboratory: MP015 Determination of histamine in fresh and preserved fish"	ARPA Marche, Pesaro ACCREDIA, ALA Laboratories	November 2013
Presentation as speaker Q-Day, "Quality today in the water analysis laboratory, Accreditation of cuvette test methods for water analysis. The experience for measuring the COD"	HACH LANGE	May 2013
Presentation as speaker "Hydrocarbons in environmental matrices", IDRO 2012. Title: "ISO 16703:2004 and EPA 8015D 2003 two methods compared to determine the parameter C12-C40"	UNI-UNICHIM, Milan	February 2013
